BUILT TO STAND THE TEST OF TIME

LEGACY (leg-uh-see), noun - in families, an object that is handed down from generation to generation

ELITE (ey-leet), adjective - denotes the best in class
When we set out to build the best quality travel trailers on the market, we knew we had to exceed every expectation. Many of the standard features on our travel trailers are upgrades or not available on other travel trailers in the market.

THE OLIVER DIFFERENCE

- FOUR FIBERGLASS HULL CONSTRUCTION
- CUSTOM MADE AIRCRAFT-GRADE ALUMINUM FRAME
- BUILT FOR FOUR SEASON CAMPING
- EXTENSIVE SELECTION OF OPTIONS
- FIRST-CLASS CUSTOMER SERVICE

Whether you are looking to purchase your first travel trailer or your last, you owe it to yourself to see an Oliver!

WATER HEATER & AC PACKAGES

STANDARD WATER HEATER & AC PACKAGE **SUBURBAN DSI 6-GALLON WATER HEATER &** **DOMETIC PENGUIN II HIGH EFFICIENCY 11K BTU AC**

The standard LP/electric Suburban 6-gallon water heater is considered one of the best and most dependable water heaters in the RV industry. The energy efficient and dependable Dometic Penguin II air conditioner features a high-performance motor and fan that provides superior cooling to your travel trailer when you need it.

OPTIONAL WATER HEATER & AC UPGRADE PACKAGE **TRUMA AQUAGO COMFORT ON-DEMAND WATER HEATER** **WITH ELECTRIC ANTIFREEZE KIT & TRUMA AVENTA ECO AIR** **CONDITIONER**

The Truma AguaGo Comfort is an on-demand water heater that allows you the most efficient hot water usage. The Truma Aventa Eco is one of the quietest non-ducted air conditioning units available in the RV industry. Independent studies have shown it to be up to 30 decibels quieter than the Dometic Penguin II.
